

ADMISSION OF NON-TRADITIONAL MASTER'S DEGREE STUDENTS

ASK A QUESTION OR SUBMIT FEEDBACK ON THIS POLICY

In rare instances, persons who have not completed a baccalaureate will be considered for admission to the appropriate graduate unit due to unusual and exemplary experiential learning.

Such applicants may apply for admission by presenting for departmental consideration a curricular plan encompassing undergraduate and graduate coursework to achieve a liberal educational background and professional graduate degree and three letters of recommendation attesting to their potential for graduate study. Upon departmental recommendation and the approval of the college dean, applicants will be admitted to undertake graduate work.

Upon successful completion of the curricular plan and the particular master's degree requirements, the students will be awarded the master's degree.
