

TRANSCRIPTS

The integrity of a student's academic transcript is fundamental to the validity of coursework and degrees certified by the university. Therefore, all student transcript entries (grades and other notations) are finalized when the degree is officially posted to the permanent academic record following the effective date of graduation. Visit the University Registrar website for the degree-posting deadline.

All financial obligations to Kent State University must be satisfied before a transcript is released. For information on ordering transcripts, refer to the Office of the University Registrar website.
