Full Description

The Teaching English as Second Language Endorsement Preparation non-degree program allows teachers with a current Ohio teaching license to advance their knowledge of language and second language learning in the P-12 context. Completion of the coursework is a prerequisite to being recommended by Kent State University for supplemental license in multi-age teaching English to speakers of other language; and licenses are granted by the Ohio Department of Education.

The non-degree program is not a master's degree. Students interested in obtaining a teaching license and a master's degree from Kent State University must also be fully admitted into the M.A. degree in Teaching English as a Second Language, TESL Education concentration.
