For more information, visit the admissions website for first-year students.

First-Year Students on the Regional Campuses: First-year admission to Kent State's campuses at Ashtabula, East Liverpool, Geauga, Salem, Stark, Trumbull and Tuscarawas, as well as the Twinsburg Academic Center, is open to anyone with a high school diploma or its equivalent. For more information on admissions, contact the Regional Campuses admissions offices.

Full Description

The Bachelor of Business Administration degree in Marketing provides a general approach that can be applied in a wide range of areas of business (e.g., for profit, nonprofit, service and manufacturing). The program addresses the breadth within the marketing field through courses (e.g., consumer behavior, marketing research, international marketing, personal selling, advertising and promotion management) that provide the student with an appreciation of all central topic areas in the field.

The program gives students a generalist's perspective and working knowledge of the theory and practice of marketing. Students learn the tasks involved in the analysis, planning, implementation and control of marketing programs that result in strategies and tactics used by businesses to sell products to consumers and other businesses. Typically, a traditional lecture format is used by instructors in this program.

Marketing students may apply early to the M.B.A. degree and double count 9 credit hours of graduate courses toward both degree programs. See the Combined Bachelor's/Master's Degree Program policy in the University Catalog for more information.
