Description

The Construction Management minor gives students an introduction to the body of knowledge expected for entry-level professional construction management positions. The minor is particularly appropriate for students whose major or interest is architecture, business or interior design.

Fully Offered At:

- Kent Campus

Admission Requirements

Admission to a minor is open to students declared in a bachelor's degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students declared only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.
