Description
The Associate of Technical Study degree in Environment Management is a completer program for students who have finished registered green industry apprenticeship or journeyman training programs. Graduates of the program are prepared to work as administrative and supervisory personnel in a variety of arboriculture, urban forestry and landscape management settings.

Fully Offered At:
• Online  
• Trumbull Campus

Admission Requirements
The university affirmatively strives to provide educational opportunities and access to students with varied backgrounds, those with special talents and adult students who graduated from high school three or more years ago.

Kent State campuses at Ashtabula, East Liverpool, Geauga, Salem, Stark, Trumbull and Tuscarawas, and the Twinsburg Academic Center, have open enrollment admission for students who hold a high school diploma, GED or equivalent.

For more information on admissions, contact the Regional Campuses admissions offices.

University Requirements
All students in an applied or technical associate degree program at Kent State University must complete the following university requirements for graduation.
