Description

The Help Desk Support minor is designed to complement a wide range of majors. The curriculum includes coursework focused on computer hardware, usability design, application software, local area network troubleshooting and help desk methods and technologies. The program is flexible to tailor to each student's interests and career goals.

Admission Requirements

Admission to a minor is open to students declared in a bachelor's degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students declared only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.
