Description

The Aviation Management minor is offered to those students whose career paths may one day be focused towards management or operations across the breadth of the aviation industry.

Fully Offered At:

- Kent Campus

Admission Requirements

Admission to a minor is open to students declared in a bachelor's degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students declared only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.

Program Learning Outcomes

Graduates of this program will be able to:

- Demonstrate a thorough understanding of fundamental aeronautical management concepts and practices.
- Demonstrate a comprehensive understanding and application of aviation business management principles.
