**ELECTRONIC TECHNOLOGY - MINOR**

**College of Aeronautics and Engineering**  
Aeronautics and Technology Building  
Kent Campus  
330-672-2892  
cae@kent.edu  
www.kent.edu/cae

**Description**  
The Electronic Technology minor gives students a basic knowledge in the use and programming of microprocessor-based circuits. It also illustrates how digital combinational and sequential circuits work, and provides students with some applications of these types of circuits. The minor complements studies in computer science, physics, instrumentation, as well as student interest in a general background on how computers work.

**Fully Offered At:**  
- Kent Campus

**Admission Requirements**  
Admission to a minor is open to students declared in a bachelor’s degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students declared only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.

Minimum Total Credit Hours: 17

**Graduation Requirements**

**Minimum Minor GPA**  
2.000

- Minimum 6 credit hours in the minor must be upper-division coursework (30000 and 40000 level).
- Minimum 6 credit hours in the minor must be outside of the course requirements for any major or other minor the student is pursuing.
- Minimum 50 percent of the total credit hours for the minor must be taken at Kent State (in residence).
