Description
The Sustainability minor gives students a basic knowledge of sustainability and allows them to address a specific area within sustainability. The minor consists of basic courses addressing the three main components of sustainability and an integrated series of upper-division courses related to applications of this basic principle.

Fully Offered At:
• Kent Campus

Admission Requirements
Admission to a minor is open to students enrolled in a bachelor’s degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students enrolled only in the A.A. or A.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.
