Description
The Biological Sciences minor provides a basic biological background to complement other areas of study. The minor is especially suited for students wishing to pursue careers in non-science fields where biological knowledge is advantageous.

Fully Offered At:
• Kent Campus
• Stark Campus

Admission Requirements
Admission to a minor is open to students declared in a bachelor’s degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students declared only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.
