Description
The Computer Science minor provides a foundation in computer science, which may be invaluable to students in any field, from the natural and social sciences to humanities and business, allowing them to work with substantial computing and cyber systems. The minor has been designed so that students from any discipline can complement their major, ensuring they will be able to competitively manage the computing and cyber aspects of their professions.

FULLY OFFERED AT:
• Kent Campus
• Stark Campus

Admission Requirements
Admission to a minor is open to students enrolled in a bachelor's degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students enrolled only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.
