Description
The Bachelor of Arts degree in English prepares students to be insightful readers and innovative writers. Students are introduced to literary traditions and critical methods through core courses and encouraged to pursue personal interests in the selection of a concentration and elective courses. English classes challenge students to develop reading, research and writing skills that will equip them for a wide range of careers.

Students have opportunities in extracurricular organizations, including the English Club, Sigma Tau Delta, the Writer’s Workshops and such student publications, as the literary arts magazine Luna Negra. Students are encouraged to study abroad, engage in undergraduate research, commit to service learning and complete a writing internship.

The English major comprises the following concentrations:

- The General concentration allows students to combine elective choices in creative writing, professional writing, rhetoric, historical literatures, genre studies and literary theory based on personal interest.
- The Literature concentration emphasizes the interpretation of literary texts drawn from a variety of historical and cultural contexts. Students develop an understanding of genre conventions and different theoretical and critical methods of analysis.
- The Professional Writing concentration offers training in professional writing and editing. Students select courses in writing, editing and rhetoric. The concentration requires a professional experience elective fulfilled by an internship, service learning placement or an advanced course in editing.

Fully Offered At:
- Ashtabula Campus
- East Liverpool Campus
- Geauga Campus
- Kent Campus
- Salem Campus
- Stark Campus
- Trumbull Campus
- Tuscarawas Campus

Foreign Language College Requirement

Students pursuing the Bachelor of Arts degree in the College of Arts and Sciences must complete 14-16 credit hours of foreign language. To complete the requirement, students have the equivalent of Elementary I and II in any language, plus one of the following options:

1. Intermediate I and II of the same language
2. Elementary I and II of a second language
3. Any combination of two courses from the following list:
   - Intermediate I of the same language
   - MCLS 10001 INTRODUCTION TO STRUCTURAL CONCEPTS FOR LANGUAGE STUDENTS
   - MCLS 20091 VARIABLE CONTENT SEMINAR IN GLOBAL LITERACY: CASE STUDIES
   - MCLS 21417 MULTICULTURALISM IN TODAY'S GERMANY (DIVG)
   - MCLS 28404 THE LATIN AMERICAN EXPERIENCE (DIVG)

All students with prior foreign language experience should take the foreign language placement test to determine the appropriate level at which to start. Some students may begin beyond the Elementary I level and will complete the requirement with fewer credit hours and fewer courses. This may be accomplished by (1) passing a course beyond Elementary I through Intermediate II level; (2) receiving credit through Credit by Exam (CBE), Advanced Placement (AP), International Baccalaureate (IB) or College Level Examination Program (CLEP); or (3) being designated a "native speaker" of a non-English language (consult with the College of Arts and Sciences Advising Office for additional information). When students complete the requirement with fewer than 14 credit hours and four courses, they will complete remaining credit hours with general electives.

Certain majors, concentrations and minors may require specific languages, limit the languages from which a student may choose or require coursework through Intermediate II. Students who plan to pursue graduate study may need particular language coursework.
Roadmap

This roadmap is a recommended semester-by-semester plan of study for this major. However, courses designated as critical (!) must be completed in the semester listed to ensure a timely graduation.
