Description
The Geology minor is for students who have a primary interest in a field that can be complemented by a basic knowledge of geological concepts. The minor can be of particular benefit to students majoring in anthropology, architecture, business, geography, journalism, political science, environmental law, recreation and park management and other liberal arts or science fields.

FULLY OFFERED AT:
• Kent Campus
• Stark Campus

Admission Requirements
Admission to a minor is open to students enrolled in a bachelor’s degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students enrolled only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.
