Description

The History minor offers an overview of the major themes and developments in history and provides an opportunity to develop the ability to read analytically, think critically, and write effectively. A minor in history is an excellent complement to many of the degree programs offered at the university.

Admission Requirements

Admission to a minor is open to students declared in a bachelor’s degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students declared only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.
