Description

The Political Science minor is for students who have an ongoing interest in politics—at the local, state, national or international level—but whose primary area of study does not allow a second major. Students study the general subject matter of political science and then advance to specialty areas that meet their own interests, needs and plans of study.

Admission Requirements

Admission to a minor is open to students declared in a bachelor's degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students declared only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.
