Description
The Bachelor of Business Administration degree in Finance provides students with an academic background appropriate for entry into a financial career, including financial management, investments, banking/financial institutions, risk/insurance and related areas. The courses are designed to provide students with an understanding of the relationship between business finance and the economic system in the context of managerial analysis and decision making.

Finance students may apply early to the M.B.A. degree or to the Master of Arts in Economics degree and double count 9 credit hours of graduate courses toward both degree programs. See the Combined Bachelor’s/Master’s Degree Program policy in the University Catalog for more information. The combined program with the Master of Arts in Economics degree requires a minimum 3.200 overall Kent State GPA.

Accreditation
AACSB, International - The Association to Advance Collegiate Schools of Business

Admission Requirements
The university affirmatively strives to provide educational opportunities and access to students with varied backgrounds, those with special talents and adult students who graduated from high school three or more years ago.

Freshman Students on the Kent Campus: The freshman admission policy on the Kent Campus is selective. Admission decisions are based upon the following: cumulative grade point average, ACT and/or SAT scores, strength of high school college preparatory curriculum and grade trends. The Admissions Office at the Kent Campus may defer the admission of students who do not meet admissions criteria but who demonstrate areas of promise for successful college study. Deferred applicants may begin their college coursework at one of seven regional campuses of Kent State University. For more information on admissions, including additional requirements for some academic programs, visit the admissions website for first-year students.

Freshman Students on the Regional Campuses: Kent State campuses at Ashtabula, East Liverpool, Geauga, Salem, Stark, Trumbull and Tuscarawas, as well as the Twinsburg Academic Center, have open enrollment admission for students who hold a high school diploma, GED or equivalent.

English Language Proficiency Requirements for International Students:
All international students must provide proof of English language proficiency (unless they meet specific exceptions) by earning a minimum 525 TOEFL score (71 on the Internet-based version), minimum 75 MELAB score, minimum 6.0 IELTS score, minimum 48 PTE score or minimum 100 DET score; or by completing the ESL level 112 Intensive Program. For more information on international admission, visit the Office of Global Education’s admission website.

Transfer, Transitioning and Former Students: For more information about admission criteria for transfer, transitioning and former students, please visit the admissions website.

Transfer Student: A minimum 2.500 overall GPA (effective spring 2022, a minimum 2.000 overall GPA) is required for admission into the major. Students who have previously attended Kent State must also have a minimum 2.50 GPA in their former Kent State coursework, and a minimum C grade in COMM 15000, ENG 21011, FIN 36053 and MATH 11010.

Program Learning Outcomes
Graduates of this program will be able to:
1. Demonstrate a broad fundamental knowledge of the theory and practice of investments, international business finance, business and corporate finance and financial markets and institutions.
2. Demonstrate the critical thinking skills needed to apply financial theory to specific business situations.
3. Demonstrate the skills needed to work effectively as a finance professional in a group or task force environment.
4. Demonstrate the computer skills needed to successfully employ commonly used software packages (specifically, spreadsheet, word processing and presentation software) in the performance of their duties as finance professionals.

Graduates of all Bachelor of Business Administration programs will be able to:
1. Recall strategic frameworks that are used to make business decisions.
2. Perform basic calculations using quantitative tools that are used to support business decisions.
3. Articulate and deliberate their ideas in writing.
4. Articulate and deliberate their ideas orally.
5. Identify ethical dilemmas and stakeholders.
6. Recommend alternatives and consequences and choose a reasoned conclusion from the alternatives given.
7. Identify global factors in making a business decision.
8. Analyze global factors in making a business decision.

Minimum Total Credit Hours: 120
Please meet with the Chair of the Department of Finance or academic advisor for a listing of courses that will provide the best possible preparation for the following career tracks: corporate finance, banking, investments (CFA or CFP) or risk management and insurance. Students may not receive major elective credit for more than six credit hours from the following four courses: FIN 46089, FIN 46096, FIN 46192 and FIN 46295. Any excess credit hours can be used for general electives, if needed.

A student changing to the College of Business Administration or transferring may be waived out of BUS 10123 if:

- 30 or more credit hours have been earned and any two classes (from ACCT 23020, ACCT 23021, FIN 26074, MGMT 24163, MKTG 25010 or CIS 24053) have successfully been completed.
- 60 or more credit hours have been earned and the student has successfully completed one course from (ACCT 23020, ACCT 23021, FIN 26074, MGMT 24163, MKTG 25010 or CIS 24053)
- At the discretion of the Dean's Office, the student has sufficient breadth and depth of knowledge in a business field (as demonstrated by a CLEP exam or Credit by Exam) but does not meet the requirements listed above.

Students who have taken MATH 10041 for another program may use it as a substitute for MGMT 24056.

Minimum C grade in ENG 21011 or HONR 20197.

Students may take or use any course at any level as long as the minimum 39-credit hours requirement for upper-division courses is satisfied for graduation with a B.B.A. Exceptions: Maximum 4 credit hours of Physical Activity, Wellness and Sport (PWS) courses. A minor (business or non-business) is encouraged. Any other exceptions must be approved by the assistant dean. FIN 36280 is repeatable for a maximum of 3 credits for students in the major, the credits may only count towards general electives. FIN 46280 is repeatable for a maximum of 6 credit hours for students in the major; credits will automatically count towards general electives when taken both times. Students who want to use the credits earned the second time taken towards the Accounting or Finance elective major requirement will need to request an override from an academic advisor to have the credits applied to the major requirement.

### Progression Requirements
- Minimum 2.000 overall GPA
- Minimum C grade in COMM 15000, ENG 21011, MATH 11010 (or placement out of MATH 11010), FIN 26085 and FIN 36053 and all required finance (FIN) major courses.
