Description
The Master of Business Administration degree for professionals (Executive M.B.A.) prepares students for leadership positions in regional, national and international organizations. Curricular and co-curricular emphases are on ethical leadership, teamwork, creative problem solving, global perspectives and skillful applications of information technology.

The Executive M.B.A. is a highly personalized and interactive educational experience. The program is structured such that students take all their classes together, study in teams and interact with senior business faculty. Professional development workshops and free career coaching are included in the program.

The program is offered in an accelerated delivery, with courses offered in seven-to-nine-week modules, and students being able to earn the degree in 19 months. Students enter the program in August, starting with a three-day overnight residency. After that, they meet once monthly on weekends for classes. A 10-day international business experience is included midway through the program, providing participants with an applied learning experience abroad.
