*Note
Source of occupation titles and labor data is from the U.S. Bureau of Labor Statistics’ Occupational Outlook Handbook. Data comprises projected percent change in employment over the next 10 years; nation-wide employment numbers; and the yearly median wage at which half of the workers in the occupation earned more than that amount and half earned less.

Description
The Financial Management graduate certificate prepares participants to serve as responsible leaders in public, private and nonprofit organizations. Because the need for financial management competence is ubiquitous across organizations, this certificate program welcomes participants from all fields and undergraduate degree backgrounds.
