Description
The Bachelor of Business Administration degree in Managerial Marketing prepares students to be marketing practitioners by helping them to fully develop the analytical, decision-making and communications (written and oral) skills used and valued by individuals working in this field. Faculty engage each student in active learning through hands-on assignments, case studies, projects with real businesses, and dynamic interactions with the faculty member and other students in the classroom. Each course aims to strengthen writing skills by emphasizing logical flow, persuasiveness and succinctness. Because coursework is sequential and integrated, each course builds upon prior classes to give students a comprehensive body of knowledge, skills and abilities.

The objective of this program is to educate students to function effectively in business environments where they will have to make autonomous decisions and be required to take action on their own initiative.

Managerial Marketing students may apply early to the M.B.A. degree and double count 9 credit hours of graduate courses toward both degree programs. See the Combined Bachelor’s/Master’s Degree Program policy in the University Catalog for more information.

Deferred applicants may begin their college coursework at one of seven regional campuses of Kent State University. For more information on admissions, including additional requirements for some academic programs, visit the admissions website for first-year students.

**Minimum Total Credit Hours:** 120

1. A minimum C grade must be earned to fulfill the writing-intensive requirement. Should students earn below a minimum C grade in MMTG 35011 they are required to repeat the course during the following fall semester to alleviate skill deficits, and they will not be eligible to progress in the major.

2. A student changing to the College of Business Administration or transferring may be waived out of BUS 10123 if:

   1. 30 or more credit hours have been earned and any two classes (from ACCT 23020, ACCT 23021, FIN 26074, MGMT 24163, MKTG 25010 or CIS 24053) have successfully been completed.
   2. 60 or more credit hours have been earned and the student has successfully completed one course from (ACCT 23020, ACCT 23021, FIN 26074, MGMT 24163, MKTG 25010 or CIS 24053).
   3. At the discretion of the Dean’s Office, the student has sufficient breadth and depth of knowledge in a business field (as demonstrated by a CLEP exam or Credit by Exam) but does not meet the requirements listed above.
Students can take MATH 10051 or PHIL 21002 in place of MATH 11012 or MATH 12002. Taking MATH 10051 or PHIL 21002 will not replace a low grade in either MATH 11012 or MATH 12002. Students are required to take MATH 11012 or MATH 12002 if they change their major to, or want to double major in, Economics or Finance and/or intend to declare a minor in Data Analytics. Students who intend to enroll in certain graduate programs and/or are working toward Phi Beta Kappa status are highly encouraged to take MATH 11012 or MATH 12002.

Students who have taken MATH 10041 for another program may use it as a substitute for MGMT 24056.

Minimum C grade in ENG 21011 or HONR 20197.

Students may take or use any course at any level as long as the minimum 39-credit hours requirement for upper-division courses is satisfied for graduation with a B.B.A. Although not required, an education abroad experience is encouraged as a general elective. Exceptions: Maximum 4 credit hours of Physical Activity, Wellness and Sport (PWS) courses may be counted toward the 120 total credit hours or 39-upper-division-credit-hour graduation requirement. General elective courses may be selected from any area and at any level provided students do not go over the PWS restriction and they satisfy the 39 credit hours upper-division requirements. Any other exceptions must be approved by the assistant dean.

**Progression Requirements**

- Minimum 2.500 cumulative GPA
- Minimum C grade in: COMM 15000, ENG 21011, MATH 11010, MKTG 25010 and MMTG 35011

- The curriculum is to be taken in sequence. Not all courses are offered each semester. Students should obtain from the department a copy of the schedule of course sequencing.
- Only three Managerial Marketing major (3/45000) courses may be repeated and counted toward the major. Exceptions require the approval of the department chair. All attempts count in the computation of the major, upper-division business and cumulative GPA.
- Entrepreneurship majors who are also majoring in Managerial Marketing, and who have taken ENTR 37045, are not required to take MMTG 35030 for the Managerial Marketing major. However, a double major in entrepreneurship and Managerial Marketing cannot waive ENTR 37045 by taking MMTG 35030.
- Managerial Marketing majors who are also majoring in Entrepreneurship and who have taken MMTG 35011 are not required to take ENTR 37040; however, an Entrepreneurship major cannot waive the required MMTG 35011 course by taking ENTR 37040 because MMTG 35011 is a writing-intensive course.
- Students who have passed MMTG 35030 will not receive graduation credit for MKTG 45046 or ENTR 37045.
- Students who have passed MMTG 45039 will not receive graduation credit for MKTG 45045.
- Students must complete at least 50 percent of business credit hours (required for the business degree) in-residence on a Kent State University campus.

- Students must complete two measures of outcomes assessment as specified by the College of Business Administration for complete satisfaction of the B.B.A.
