Description
The Glass minor is designed to encourage students from all areas of
the university to explore working creatively with glass. Students can
take coursework in glassblowing and kiln-formed glass, which creates a
platform for broad understanding of the material and creative forces at
play in the medium. Flexibility in the curriculum provides students with
choices to design a program to meet individual needs and freedom of
expression.

Fully Offered At:

• Kent Campus

Admission Requirements
Admission to a minor is open to students enrolled in a bachelor’s degree,
the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized
Program major). Students enrolled only in the A.A. or A.S. degree or the
A.T.S. degree in Individualized Program may not declare a minor. Students
may not pursue a minor and a major in the same discipline.
