Description
The Jewelry Metals and Enameling minor focuses on approaches to jewelry making and metalsmithing, while allowing students to achieve specialization. Students will achieve such skills as cold connection techniques, small and medium scaled silver soldering, small jewelry- and object-making techniques, small scale fabrication, forming, cold forging and tool-making techniques.

Fully Offered At:
• Kent Campus

Admission Requirements
Admission to a minor is open to students enrolled in a bachelor's degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students enrolled only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.
