Fully Offered
- Kent Campus

Admission Terms
- Fall

Admission Requirements
- Bachelor's degree from an accredited college or university¹ for unconditional admission
- Minimum 3.300 undergraduate GPA on a 4.000 point scale for unconditional admission
- Official transcripts(s)
- GRE or GMAT scores if GPA is below 3.300 for conditional admissions
- Goal statement (maximum 1000 words) relating career/academic goals and research interests as they relate to critical issue(s) the applicant has identified in current fashion industry practice
- Supportive materials that demonstrate research and writing capabilities (e.g., significant term paper, research project report, and/or visual portfolio with minimum 5-10 examples of work in any media documenting design process)
- Three letters of recommendation
- English language proficiency - all international students must provide proof of English language proficiency (unless they meet specific exceptions) by earning one of the following:
  - Minimum 587 TOEFL PBT score (paper-based version)
  - Minimum 94 TOEFL IBT score (Internet-based version)
  - Minimum 82 MELAB score
  - Minimum 7.0 IELTS score
  - Minimum 65 PTE score
  - Minimum 120 Duolingo test score

For more information about graduate admissions, please visit the Graduate Studies admission website. For more information on international admission, visit the Office of Global Education’s admission website.

¹ Students who are expecting to pursue coursework or thesis research in a design topic are required to possess a bachelor’s degree in fashion design OR a bachelor’s degree in a related field and substantial employment experience (minimum two years) in the fashion industry.

Program Learning Outcomes
Graduates of this program will be able to:
1. Demonstrate a capacity for critical analysis of the fashion industry supply chain from fiber to the consumer to identify pertinent issues.
2. Demonstrate the ability to utilize cross-disciplinary and applied research methods with appropriate knowledge and technologies.
3. Demonstrate the critical generation of pragmatic solutions based on testing and experimentation that connect research findings to fashion industry issues.
4. Demonstrate abilities to effectively synthesize and present innovative and pragmatic research-based solutions applicable to the fashion industry.

To earn the M.F.I.S. degree, each student must complete a written thesis accompanied by a visual presentation/representation that is successfully defended and approved by a committee of faculty with feedback from an industry partner. The thesis must demonstrate an innovative and pragmatic research-based solution applicable to the fashion industry.

**Graduation Requirements**

- Students in the M.F.I.S. degree are required to complete 24 credit hours of graded graduate coursework and a minimum of 6 credit hours of thesis.
- Students without a fashion background may be required to complete foundational coursework, FDM 10033 and FDM 10034 concurrently during the first semester, and either FDM 30260 or FDM 30262. Students must complete these courses within the first 18 credit hours of graduate study. These undergraduate credit hours are in addition to the 30 graduate credit hours required for the M.F.I.S. degree.
