Description
The Ph.D. degree in Music Education is for students to integrate teaching, theory, and research in inquiry about music teaching and learning. Through a collaboration with Kent State's College of Education, Health and Human Services, the degree program allows for emerging scholars to engage in coursework and research in areas connecting musical and educational pedagogies. Students pursuing the Ph.D. degree will be those interested in preparing music teacher educators at institutions of higher learning, engaging in arts education activities and exploring emerging practices in curriculum, artistic instruction and educational thought.

Fully Offered At:
• Kent Campus

Accreditation
National Association of Schools of Music; National Council for Accreditation of Teacher Education

Admission Requirements
• Master’s degree from an accredited college or university for unconditional admission
• Bachelor’s or master’s degree in music education for unconditional admission
• Minimum 3.000 undergraduate GPA on a 4.000 point scale for unconditional admission
• Official transcript(s)
• Current and valid state teaching license earned from an accredited U.S. university program
• Minimum three years of successful teaching experience at elementary and/or secondary levels
• Video/DVD sample of school music teaching
• Résumé or curriculum vitae of professional musical and teaching work
• Goal statement
• Scholarly writing sample of related discipline
• Three letters of reference (professional and pedagogical)
• Interview with music education faculty (via voice, video or personal campus visit)
• English language proficiency - all international students must provide proof of English language proficiency (unless they meet specific exceptions) by earning one of the following:
  • Minimum 525 TOEFL PBT score (paper-based version)
  • Minimum 71 TOEFL IBT score (Internet-based version)
  • Minimum 74 MELAB score
  • Minimum 6.0 IELTS score
  • Minimum 50 PTE score

For more information about graduate admissions, please visit the Graduate Studies admission website. For more information on international admission, visit the Office of Global Education's admission website.

Program Learning Outcomes
Graduates of the program will be able to:
1. Demonstrate knowledge of music education research and practice relative to primary, secondary, undergraduate, masters and doctoral levels through writing and oral communication.
2. Engage in research activities appropriate to doctoral and professional level practice in music education.
3. Demonstrate active involvement at local, national and global levels through diverse professional activities, including but not limited to scholarly publications and presentations, collaborative research and engagement with other scholars in order to share knowledge in music and related fields.
4. Communicate a comprehensive and sophisticated knowledge of music education through the lens of history, philosophy, psychology, sociology, research methodologies, advanced pedagogy, learning theories and methods of curricular structure.
5. Demonstrate reading, research, writing and critical thinking skills related to contemporary music education contexts.

Curriculum Electives, choose from the following:
• CI 71130 MULTICULTURAL EDUCATION: STRATEGIES

1
Residency Requirements
Student must complete a residency requirement of minimum 9 credit hours each year until qualifying exams.

Candidacy Requirements
For the Ph.D. a comprehensive, qualifying, candidacy examination is taken when the student has substantially completed his/her coursework and has received the consent of the advisor committee to attempt the examination. The examination includes an extensive written section consisting of proctored and non-proctored questions, and an oral section taken before a faculty committee. Material for both written and oral sections is drawn from the coursework taken during the degree program, current professional research literature, and current topics in music education. Students who fail the candidacy examination two times will be dismissed from the doctoral program.
