Fully Offered
• Online

Admission Terms
• Fall
• Spring

*Note
Source of occupation titles and labor data is from the U.S. Bureau of Labor Statistics' Occupational Outlook Handbook. Data comprises projected percent change in employment over the next 10 years; nation-wide employment numbers; and the yearly median wage at which half of the workers in the occupation earned more than that amount and half earned less.

Description
The post-baccalaureate certificate in Health Informatics prepares graduates to assume entry level, mid-career or senior level positions

within healthcare systems. Based on the students’ experience, the certificate is customizable to their interests and career goals within health informatics venues.

Admission Requirements
• Bachelor’s degree from an accredited college or university
• Official transcript(s)
• Résumé
• Goal statement
• Three letters of recommendation
