Description
The Digital Media Production minor teaches the basics of both audio and video production in either a studio or field setting.

Fully Offered At:
• Kent Campus

Admission Requirements
Admission to a minor is open to students enrolled in a bachelor’s degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students enrolled only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.

To be admitted, students must have a minimum 2.000 overall Kent State University GPA. If a first-semester freshman or transfer student, the student must have been admitted in good standing and, therefore, no established Kent State University GPA is needed.
