## Description

The Disability Studies and Community Inclusion minor prepares students to be leaders in promoting greater inclusion of people with disabilities in all aspects of life and across the lifespan. The minor enhances students' knowledge and skills by preparing them to understand and comply with the Americans with Disabilities Act (ADA); provide services to people with disabilities in a variety of settings; and understand: the nature of disabilities, the meaning of disability in society, social, political and health implications of disability, and the methods of accommodations that aid in making society more inclusive to those who live with disabilities.

## Fully Offered At:

- Kent Campus

## Admission Requirements

Admission to a minor is open to students declared in a bachelor's degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students declared only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.

To declare this minor, students must have attempted a minimum 12 credit hours at Kent State and earned a minimum 2.000 overall Kent State GPA. Students who have not attempted 12 credit hours at Kent State will be evaluated for admission based on their high school GPA for new students or transfer GPA for transfer students. Transfer students who have not attempted 12 credit hours of college-level coursework at Kent State and/or other institutions will be evaluated based on both their high school GPA and college GPA.
