*Note
Source of occupation titles and labor data is from the U.S. Bureau of Labor Statistics' Occupational Outlook Handbook. Data comprises projected percent change in employment over the next 10 years; nation-wide employment numbers; and the yearly median wage at which half of the workers in the occupation earned more than that amount and half earned less.

Description
The Bachelor of Science degree in Educational Studies is a completer program designed for those who wish to work in education, health and human services settings. The program reflects a consideration for the nature of the setting in which individuals will work (e.g., youth center, social agency, museum, park, business), the particular skills and competencies required in such career (e.g., program planning, technology utilization, interpersonal and multicultural facilitation) and the nature of the particular function which characterizes the option (e.g., program design, instruction, service delivery).

Admission Requirements
Admission to this major is selective. The Educational Studies program requires a 2.500 overall GPA to be accepted into the major. Students who do not meet the GPA requirement at the time of admission for this major will be admitted to the EHHS General non-degree program until which time they have established a Kent State GPA of 2.500. They may then submit a change of program to declare this major.

Current Kent State and Transfer Students: Active Kent State students who wish to change their major must have attempted a minimum 12 credit hours at Kent State and meet all admission criteria listed above to be admitted. Students who have not attempted 12 credit hours at Kent State will be evaluated for admission based on their high school GPA for new students or transfer GPA for transfer students. Transfer students who have not attempted 12 credit hours of college-level coursework at Kent State and/or other institutions will be evaluated based on both their high school GPA and college GPA.

English Language Proficiency Requirements for International Students: All international students must provide proof of English language proficiency (unless they meet specific exceptions) by earning a minimum 525 TOEFL score (71 on the Internet-based version), minimum 75 MELAB score, minimum 6.0 IELTS score, minimum 48 PTE score or minimum 100 DET score; or by completing the ESL level 112 Intensive Program. For more information on international admission, visit the Office of Global Education’s admission website.

Program Learning Outcomes
Graduates of this program will be able to:
1. Demonstrate a basic knowledge of education that meets the requirements of the College of Education, Health, and Human Services.
2. Apply skills and competencies required in desired career paths.
