Description
The Park Management minor prepares students to have specialties in their careers in outdoor recreation and parks. Emphasis is on sustainable management of parks and other natural environments for human enjoyment, environmental education and ecological diversity. This minor can relate to a variety of public agencies and non-profit organizations such as the National Park Service, the U.S. Forest Service, state and local park agencies, the Nature Conservancy, as well as private outfitters, guiding services, residential camps, Outward Bound and National Outdoor Leadership School. The program provides students with knowledge, skills and abilities through coursework and hands-on, field-based experiences.
