Description
The Master of Education degree in Health Education and Promotion enables graduates to pursue their diverse interests in the field while addressing competencies essential to professional development. Students are encouraged to pursue Health Education Specialist certification (CHES/MCHES).

The M.Ed. in Health Education and Promotion comprises two concentrations:

- The **Community Health** concentration provides background for those who will be involved in positions of leadership in a wide variety of health-related community settings, as well as for those who plan to pursue doctoral work in fields related to health education and health promotion.
- The **School Health Licensure** concentration enables graduates to teach health in schools or pursue diverse interests in the field. Competencies essential to school health education are addressed.

**Fully Offered At:**
- Kent Campus

**Accreditation**
National Council for the Accreditation of Teacher Education

**Admission Requirements**
- Official transcript(s)
- Goal statement
- Two letters of recommendation
- Current Ohio teaching license (required for School Health Licensure concentration only)

**English Language Proficiency Requirements for International Students:** All international students must provide proof of English language proficiency (unless they meet specific exceptions) by earning a minimum 550 TOEFL score (79 on the Internet-based version), minimum 77 MELAB score, minimum 6.5 IELTS score or minimum 58 PTE Academic score. For more information on international admission, visit the Office of Global Education's admission website. **Effective spring 2018.**

For more information about graduate admission, please visit the Graduate Studies website.

**Program Learning Outcomes**
Graduates of this program will be able to:

1. Assess needs, assets and capacity for health education.
2. Plan health education and promotion activities.
3. Implement health education and promotion programs.
4. Conduct program evaluation and research in health education.
5. Serve as health education resource person.
6. Administer and manage health education.
7. Communicate and advocate for health and health education.
