Description
The Behavior Intervention Specialist graduate certificate is a highly-specialized sequence that imbues the theoretical orientation and practical application of applied behavior analysis. Through coursework in special education, as well as supervised field-based experiences, students gain specialized knowledge and skills to collaborate with professional teams and parents to develop, implement and evaluate positive-behavior support programs for children and youths with behavioral concerns. Students seeking the Board Certified Behavior Analyst (BCBA) credential must meet additional requirements outlined by the Behavior Analyst Certification Board.
