Description
Each year, international, national and local non-profit organizations need thousands of new full-time professional staff. Individuals who fill these positions are people-oriented, competent managers and committed to improving their communities and the future. The Nonprofit Studies minor provides students with knowledge and competencies in areas such as grant writing and fundraising, mission and vision, advocacy and lobbying, risk management, board development, program planning, leadership and ethics, human resource development, youth and adult development, marketing, financial management and non-profit management.

After declaring the Nonprofit studies minor, students are required to meet with the Nonprofit Studies director to discuss course selection and procedures for completing the minor.

Fully Offered At:
- Geauga Campus
- Kent Campus

Admission Requirements
Admission to a minor is open to students enrolled in a bachelor's degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students enrolled only in the A.A. or A.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.
