Description
The Nonprofit Studies minor prepares students for careers in a variety of nonprofit organizations at the local, state, national and international level. The curriculum provides students with knowledge and competencies in areas such as grant writing and fundraising, mission and vision, advocacy and lobbying, risk management, board development, program planning, leadership and ethics, human resource development, youth and adult development, marketing, financial management and non-profit management. Students gain real world experience with local nonprofit agencies through a practicum experience.

The Nonprofit Studies minor may be beneficial for students pursuing any major.

Fully Offered At:
- Geauga Campus
- Kent Campus
- Stark Campus

Admission Requirements
Admission to a minor is open to students declared in a bachelor's degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students declared only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.

To declare this minor, students must have attempted a minimum 12 credit hours at Kent State and earned a minimum 2.000 overall Kent State GPA. Students who have not attempted 12 credit hours at Kent State will be evaluated for admission based on their high school GPA for new students or transfer GPA for transfer students. Transfer students who have not attempted 12 credit hours of college-level coursework at Kent State and/or other institutions will be evaluated based on both their high school GPA and college GPA.

Program Learning Outcomes
Graduates of this program will be able to:

1. Describe the principles and practices of nonprofit management.
2. Construct a grant proposal appropriate for submission to a grant funder in the nonprofit sector.
3. Apply community outreach skills through successful completion of a community inventory as well as practicum and field experiences.
