• Kent Campus
• Stark Campus

Admission Terms
• Fall
• Spring
• Summer

Description
The Nursing Home Administration graduate certificate prepares individuals to apply managerial principles to the administration of nursing homes, assisted living facilities, adult day care, home health services, senior living communities, retirement communities and other long-term services and supports. Individualized coursework may include instruction in social and clinical aspects of aging, health care delivery systems, long-term care administration, aging policy and government programs, ethics, business management, financial management, human resource management, marketing and applicable laws and regulations. Additionally, the program prepares graduates for the national and state licensure examinations required in the State of Ohio to become a Licensed Nursing Home Administrator (LNHA). Once licensed, individuals are qualified to lead organizations in the field of long-term care services and supports. It is particularly appropriate for graduate students from any discipline who are interested in long-term care, but also for individuals currently working in the long-term care field who wish to advance their career as an executive of long-term care services and supports.

Students should be able to complete the certificate within one academic year or three semesters. The certificate includes a practicum as required by the State of Ohio in a skilled nursing facility.

Admission Requirements
• Bachelor's degree from an accredited college or university
• Official transcript(s)
• Two letters of recommendation
• Minimum 3.00 GPA

• Questions in Anticipation of Licensure form
• Statement of personal goals and professional objectives
• Documented experience and/or coursework in human development and family studies related area

For more information about graduate admission, please visit the Graduate Studies website.

Professional Licensure Disclosure
This program is designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State’s website for professional licensure disclosure.

Graduate Certificate Policy for the College of Education, Health and Human Services

• Students seeking a graduate certificate must maintain a minimum 3.000 grade point average. A graduate certificate student who receives a combination of more than 8 credit hours of B- or lower grades, or more than 4 credit hours of grades lower than C is subject to dismissal. Students who are unable to maintain academic standards of the College are subject to dismissal for academic reasons. Grades of C- or below are not counted toward completion of the certificate.
• Certificates must be completed within six years after the first graduate enrollment.
• No more than 2 credit hours of workshop may be used toward a certificate.
• Before being eligible to be awarded a Certificate, students must be admitted to the Certificate program.
• Students currently in a graduate degree program may also apply to a certificate program. Their degree seeking coursework may be applied to the certificate coursework with advisor approval. The courses must be completed within six years and satisfy certificate course requirements.
• Students who have a previous graduate degree and are not currently seeking another graduate degree may transfer a maximum 6 credit hours with advisor approval. These credits may include hours from another KSU program, or from another accredited institution, if the following conditions are met: (1) courses were taken at the graduate level; (2) a grade of "A" or "B" was earned; (3) credit will be less than six years old at the time the certificate is conferred at Kent; and (4) student was admitted as a graduate student at the time the course was taken.
• Some program areas may be more restrictive. Students are advised to consult their program.

- Minimum 3.000 GPA must be maintained throughout the program.
- Students may be required to successfully complete a 40 hour volunteer experience at a skilled nursing facility if missing from their current academic or work experience.

Program Notes

- State/Federal background checks may be required for some practicum/internship sites. Results indicating one of the disqualifying offenses, whether expunged or current, may result in the inability to be placed at a skilled nursing facility for the required practicum credit hours and may prevent the applicant from applying for licensure required to operate a skilled nursing facility or assisted living facility. Contact Ohio Board of Executives of Long Term Services and Supports (BELTSS) for licensure eligibility with a disqualifying offense. Please see faculty advisor for more information.
