**Description**  
The Special Education Early Childhood (PK-5) Initial Licensure Preparation non-degree program is designed for individuals who hold a bachelor’s degree and want to work with young children with diverse learning abilities in a variety of special education settings, from pre-kindergarten through grade 5.

Completion of the coursework is a prerequisite to being recommended by Kent State University for an initial teaching license in Ohio Early Childhood Intervention Specialist (PK-5), which is granted by the Ohio Department of Education.

This program does not culminate in a master’s degree. Students interested in obtaining a teaching license and a master’s degree from Kent State University must also be fully admitted to a master’s degree and complete the prescribed coursework on the master’s degree prospectus, in addition to the courses that are prescribed here for licensure.

**Admission Requirements**  
Applicants are assessed holistically, considering academic credentials, academic or professional references, non-academic criteria and other specific program criteria.

- Bachelor’s degree from an accredited institution  
- Minimum 3.00 GPA  
- Official Transcripts  
- Goal Statement  
- Two letters of recommendation  
- Questions in Anticipation of Licensure form  
- Praxis Core tests in reading, writing and mathematics¹ (effective spring 2022, Praxis is no longer required for admissions)

¹ All initial teacher licensure candidates are required to demonstrate basic competency in reading, writing and mathematics prior to admission. To demonstrate these competencies, students are required to take the Praxis Core tests in reading, mathematics and writing unless exempted by GRE scores fewer than five years old at the time of application. In order to gain exemption from Praxis Core requirements, a student must achieve at or above the 50th percentile scores on the GRE Verbal, Quantitative and Analytical Writing tests. Students who have not taken the GRE are strongly encouraged to take the Praxis Core tests to demonstrate these competencies, rather than GRE. Further information is available in the Office of Graduate Student Services, 418 White Hall.

**Competency Test Equivalents:**  
- Reading: GRE Verbal Reasoning or Praxis Core Reading  
- Mathematics: GRE Quantitative Reasoning or Praxis Core Mathematics  
- Writing: GRE Analytical Writing or Praxis Core Writing

**Program Learning Outcomes**  
Completers of this non-degree program will be able to:

1. Demonstrate knowledge of  
   a. learner development and individual learning differences;  
   b. the learning environment;  
   c. curricular content knowledge;

If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State’s website for professional licensure disclosure.
