Description
The "National Standards for Sport Coaches," published by the Society of Health and Physical Educators (SHAPE America), serves as the guiding basis for the proposed program of study. SHAPE America identifies coaching competencies organized into "standards," which are placed within 8 domains. These domains are:

- Philosophy and Ethics
- Safety and Injury Prevention
- Physical Conditioning
- Growth and Development
- Teaching and Communication
- Sport Skills and Tactics
- Organization and Administration
- Evaluation

Courses and experiences representing each of the 8 NASPE Coaching Standards domains have been identified. Students must also get American Red Cross First Aid and CPR certification to successfully complete the minor. An internship completes the minor as a capstone experience.

Fully Offered At:
- Kent Campus

Admission Requirements
Admission to a minor is open to students enrolled in a bachelor's degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students enrolled only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.
