Description

The Middle Childhood Education (4-9) Social Studies and Language Arts/Reading Initial Licensure Preparation non-degree program prepares students to obtain the Ohio Middle Childhood 4-9 teacher license in social studies and language arts/reading. Completion of the prescribed coursework is a prerequisite to being recommended by Kent State University for licensure, and licenses are granted by the Ohio Department of Education.

The program includes intensive pedagogy courses that prepare students to understand the unique social, physical, cognitive and emotional needs of the young adolescent; these courses are taken as a cohort. Student teaching occurs during the final semester of the program.

This program does not culminate in a master's degree. Students interested in obtaining a teaching license and a master's degree from Kent State University must also be fully admitted to a master's degree and complete the prescribed coursework on the master's degree prospectus, in addition to courses that are prescribed here for licensure.

Admission Requirements

Applicants will be assessed holistically, considering academic credentials, academic or professional references, nonacademic dimensions, and other specific program criteria.

Applicants cannot be already licensed as a teacher in Ohio, at any level.

- Bachelor's degree from an accredited institution
- Official transcript(s)
- Minimum 3.000 overall GPA
- Goal statement
- Two letters of recommendation
- Praxis Core tests in reading, writing and mathematics¹ (effective spring 2022, Praxis Core will no longer be required for admissions)
- Questions in Anticipation of Licensure form
- An interview will be conducted prior to full acceptance into the program.

¹ All initial teacher licensure candidates are required to demonstrate basic competency in reading, writing and mathematics prior to admission. To demonstrate these competencies, students are required to take the Praxis Core tests in Reading, Mathematics, and Writing unless exempted by GRE scores fewer than five years old at the time of application. In order to gain exemption from Praxis Core requirements, a student must achieve at or above the 50th percentile scores on the GRE Verbal, Quantitative and Analytical Writing tests. Students who have not taken the GRE are strongly encouraged to take the Praxis Core tests to demonstrate these competencies, rather than GRE. Further information is available in the Office of Graduate Student Services, 418 White Hall.

Competency Test Equivalents:

- Reading: GRE Verbal Reasoning or Praxis Core Reading
- Mathematics: GRE Quantitative Reasoning or Praxis Core Mathematics
- Writing: GRE Analytical Writing or Praxis Core Writing

A qualifying score on the Ohio Assessments for Educators (OAE) for the Assessment of Professional Knowledge (APK) and content tests is required for licensure. Students should consult their advisors for specific program requirements and refer to the Ohio Department of Education-Educator Preparation website for more information on assessments specific to licensure type.

Students who do not apply for license within 12 months of program completion may be subject to additional course requirement, based on Ohio licensure standards in force at the time of application.
