Description
The Middle Childhood Education (4-9) Social Studies and Language Arts/Reading Initial Licensure Preparation non-degree program will prepare students to obtain the Ohio Middle Childhood 4-9 license in Social Studies and Language Arts/Reading. Completion of the prescribed coursework is a prerequisite to being recommended by Kent State University for licensure, and licenses are granted by the Ohio Department of Education. The program includes intensive pedagogy courses that prepare students to understand the unique social, physical, cognitive, and emotional needs of the young adolescent; these courses are taken as a cohort. Student teaching occurs during the final semester of the program.

The non-degree program is not a master’s degree program. 1 All initial teacher licensure candidates are required to demonstrate basic competency in reading, writing and mathematics prior to admission. To demonstrate these competencies, students are required to take the Praxis Core tests in Reading, Mathematics, and Writing unless exempted by GRE scores fewer than five years old at the time of application. In order to gain exemption from Praxis CORE requirements, a student must achieve at or above the 50th percentile scores on the GRE Verbal, Quantitative, and Analytical Writing tests. Students who have not taken the GRE are strongly encouraged to take the Praxis CORE tests to demonstrate these competencies, rather than GRE. Further information is available in the Office of Graduate Student Services, 418 White Hall.

Competency Test Equivalents:
• Reading: GRE Verbal Reasoning/Praxis CORE Reading
• Mathematics: GRE Quantitative Reasoning/Praxis CORE Mathematics
• Writing: GRE Analytical Writing/Praxis CORE Writing
### Graduation Requirements

- Minimum 3.00 overall GPA
- Additional Coursework: An analysis of additional content-area coursework required at the post-undergraduate level will be completed before entering into the program, and a Plan of Study will be created based on transcript analysis and current licensure requirements by the Ohio Department of Education. A minimum C grade is required in each of these courses. This coursework would be in addition to requirements for the Middle Childhood Education non-degree program.

### LICENSURE INFORMATION

Candidates seeking Ohio teaching licensure are required to pass specific requirements in order to apply for licensure from the Ohio Department of Education (ODE). A qualifying score on the Ohio Assessments for Educators (OAE) for the Assessment of Professional Knowledge (APK) and content tests is required for licensure. Students should consult their advisors for specific program requirements and refer to the Ohio Department of Education- Educator Preparation website for more information on assessments specific to licensure type.

Students who do not apply for license within 12 months of program completion may be subject to additional course requirement, based on Ohio licensure standards in force at the time of application.
