Description
The Middle Childhood Education (4-9) Social Studies and Science Initial Licensure Preparation non-degree program will prepare students to obtain the Ohio Middle Childhood 4-9 license in Social Studies and Science. Completion of the prescribed coursework is a prerequisite to being recommended by Kent State University for licensure, and licenses are granted by the Ohio Department of Education. The program includes intensive pedagogy courses that prepare students to understand the unique social, physical, cognitive, and emotional needs of the young adolescent; these courses are taken as a cohort. Student teaching occurs during the final semester of the program.

The non-degree program is not a master’s degree program. Students interested in obtaining a teaching license and a master’s degree from Kent State University must also be fully admitted into a master’s degree program and complete the prescribed coursework on the master’s degree prospectus, in addition to courses that are prescribed here for licensure.

Fully Offered At:
• Kent Campus
