Description

The Bachelor of Science degree in Physical Education comprises three concentrations:

- The **Health and Physical Education** concentration is a five-year program that provides the curriculum necessary for students seeking Ohio teacher licensure in both health education and physical education. The program includes multiple field experiences in a variety of school districts, followed by a full semester of student teaching. Students teach in both subjects and are eligible to sit for the multi-age teacher licensing examinations. Students may apply a maximum of 12 credit hours of graduate courses toward the B.S.E. degree.
- The **Physical Activity and Sport Performance** concentration is grounded in the understanding that the study of physical activity and sport is important in themselves and as biological and social concepts. The concentration provides students with the opportunity to design their educational experience by developing an individualized program of study. Students in this concentration are required to declare a minor, either in a related field or outside the field.
- The **Physical Education Teacher Licensure** concentration prepares students to seek Ohio teacher licensure in physical education. The program includes multiple field experiences in a variety of school districts, followed by a full semester of student teaching. Graduates are eligible to sit for the multi-age teacher licensing examinations.

Admission Requirements

Admission to this major is selective. Admission to the college does not guarantee admission to a major and/or admission to professional coursework for a selective admission program. To be admitted directly into a teacher education program, it is required that new freshmen have a 2.750 high school GPA. Students who do not meet the GPA requirement at the time of admission for this major will be admitted to the EHHS General non-degree program until which time they have established a Kent State GPA of 2.750. They may then submit a change of program to declare this major.

Students seeking admission into the Health and Physical Education concentration or the Physical Education Teacher Licensure concentration of this program must meet all professional requirements for admission to advanced study and have a minimum overall 2.750 GPA in all previous undergraduate coursework. Students should contact the Vacca Office of Student Services, 304 White Hall, during the first year of study to

inquire into the procedures associated with admission to advanced study. Students transferring from another university should meet with an academic advisor in the College of Education, Health and Human Services at least one semester prior to transferring.

Current Kent State and Transfer Students: Active Kent State students who wish to change their major must have attempted a minimum 12 credit hours at Kent State and meet all admission criteria listed above to be admitted. Students who have not attempted 12 credit hours at Kent State will be evaluated for admission based on their high school GPA for new students or transfer GPA for transfer students. Transfer students who have not attempted 12 credit hours of college-level coursework at Kent State and/or other institutions will be evaluated based on both their high school GPA and college GPA.

English Language Proficiency Requirements for International Students: All international students must provide proof of English language proficiency (unless they meet specific exceptions) by earning a minimum 525 TOEFL score (71 on the Internet-based version), minimum 75 MELAB score, minimum 6.0 IELTS score or minimum 48 PTE Academic score, or by completing the ELS level 112 Intensive Program. For more information on international admission, visit the Office of Global Education's admission website.

Program Learning Outcomes

Graduates of the Health and Physical Education and Physical Education Licensure concentrations will be able to:

1. Apply discipline-specific scientific and theoretical concepts critical to the development of physically literate individuals.
2. Plan and implement a variety of developmentally appropriate learning experiences and content aligned with local, state and national standards to develop physically literate individuals.
3. Use effective communication and pedagogical skills and strategies to enhance student engagement and learning.
4. Utilize assessments and reflection to foster student learning and inform instructional decisions.
5. Demonstrate dispositions essential to becoming effective professionals.
6. Demonstrate understanding and value of human diversity.

Graduates of the Physical Activity and Sport Performance concentration will be able to:

1. Demonstrate understanding and value of human diversity.
2. Apply their broad spectrum of knowledge of human movement in their capstone experience by being able to:
 - a. Describe and apply biophysical (anatomical, physiological and biomechanical) and social-psychological concepts to skillful movement, physical activity and fitness, depending upon their area of focus.
 - b. Identify individual and group motives and opportunities and barriers to involvement in different types of human movement.
 - c. Understand the historical significance of past events and how these events have shaped the present development of sport and physical education.

University Requirements

All students in a bachelor's degree program at Kent State University must complete the following university requirements for graduation.

NOTE: University requirements may be fulfilled in this program by specific course requirements. Please see Program Requirements for details.

Destination Kent State: First Year Experience	1
Course is not required for students with 25 transfer credits, excluding College Credit Plus, or age 21+ at time of admission.	
Diversity Domestic/Global (DIVD/DIVG)	2 courses
Students must successfully complete one domestic and one global course, of which one must be from the Kent Core.	
Experiential Learning Requirement (ELR)	varies
Students must successfully complete one course or approved experience.	
Kent Core (see table below)	36-37
Writing-Intensive Course (WIC)	1 course
Students must earn a minimum C grade in the course.	
Upper-Division Requirement	39 (or 42)
Students must successfully complete 39 upper-division (numbered 30000 to 49999) credit hours to graduate. Students in a B.A. and/or B.S. degree in the College of Arts and Sciences must complete 42 upper-division credit hours.	
Total Credit Hour Requirement	120
Some bachelor's degrees require students to complete more than 120 credit hours.

Progression Requirement

Students in the Health and Physical Education and Physical Education Licensure concentrations must meet all professional requirements for admission to advanced study.

To manage enrollment and deliver high-quality programs, the faculty will select the most qualified applicants for admission based upon evaluation of standardized test scores of reading, writing and mathematics; academic success (overall GPA¹) at Kent State University; non-academic criteria and other specific program criteria.

Please be aware that reapplication may be necessary if postponing advanced study coursework or if withdrawn for one year or more.

¹ Undergraduate students who have not completed a minimum of 12 Kent State University credit hours will be evaluated for advanced study and professional phase based on their high school GPA for new freshmen or transfer GPA for transfer students.

Graduation Requirements

Health and Physical Education Concentration

Minimum Major GPA	Minimum Overall GPA
2.750	2.750

Physical Activity and Sport Performance Concentration

Minimum Major GPA	Minimum Overall GPA
2.250	2.000

Physical Education Licensure Concentration

Minimum Major GPA	Minimum Overall GPA
2.750	2.750

- Students in the Health and Physical Education concentration and the Physical Education Licensure concentration are required to provide evidence of certification in First Aid, CPR and a minimum equivalence to level 5 competency in Red Cross swimming.

Licensure information

Candidates seeking Ohio licensure are required to pass specific assessments in order to apply for licensure. See Ohio Department of Education-Educator Preparation website for more information on assessments specific to licensure type. Taking and passing the licensure tests prior to graduation is encouraged but not required.

Students must apply for State of Ohio Licensure (defined by completion of all licensure program requirements) within 12 months of program completion. After 12 months, applicants must meet State approved program/licensure requirements that are in effect at the time of application. This means that students who apply after the 12 month deadline may have to take additional coursework if the content, methods courses, program requirements, or licensure requirements have changed from the catalog in force.
