

SECONDARY EDUCATION - M.A.T.

College of Education Health and Human Services

School of Teaching, Learning and Curriculum Studies

404 White Hall

Kent Campus

330-672-2580

www.kent.edu/ehhs/tlcs

Description

The Master of Arts in Teaching degree in Secondary Education serves individuals who have never held a teaching certificate or license. There are two options of study: (1) 11-month option, which requires full-time study beginning the summer of the year admitted and continuing through the academic year; (2) two-year option, which allows part-time enrollment.

The Secondary Education major comprises the following concentrations:

- Art
- Chemistry/Physics
- Dance
- Earth Science
- English/Language Arts
- French
- German
- Health
- Integrated Science
- Latin
- Life Science
- Life Science-Chemistry
- Mathematics
- Music
- Physics
- Social Studies
- Spanish

Fully Offered At:

- Kent Campus

Accreditation

National Council for Accreditation of Teacher Education

Admission Requirements

- Bachelor's degree from an accredited college or university for unconditional admission
- Minimum 3.000 undergraduate GPA on a 4.000 point scale for unconditional admission

- Résumé
- Essay (1000 words) explaining desire to teach
- Questions in Anticipation of Licensure form
- Content evaluation (to be completed before applying)
- Two letters of recommendation
- Interview
- English language proficiency - all international students must provide proof of English language proficiency (unless they meet specific exceptions) by earning one of the following:
 - Minimum 550 TOEFL PBT score (paper-based version)
 - Minimum 79 TOEFL IBT score (Internet-based version)
 - Minimum 77 MELAB score
 - Minimum 6.5 IELTS score
 - Minimum 58 PTE score

For more information about graduate admissions, please visit the Graduate Studies admission website. For more information on international admission, visit the Office of Global Education's admission website.

¹ A GRE waiver may be granted for those applicants with a master's, Ph.D., M.D. or J.D. degree.

Program Learning Outcomes

Graduates of this program will be able to:

1. Implement current learning theories in the classroom.
2. Demonstrate continued professional development.
3. Understand the scope and sequence of curriculum in their content area for grades seven to 12.
4. Use reflection on teaching as a tool for improving teaching and student learning.
5. Incorporate the appropriate use of technology in classroom lessons to increase student learning.
6. Demonstrate how schools work and how support staff, parents and the community can be utilized to foster and improve their future students' success.
7. Recognize the importance of planning that incorporate national and state standards for their content area.
8. Develop and refine skills in planning, assessment and classroom management that maximize learning for all students.

Program Requirements

Graduation Requirements

Students may be required to complete additional curriculum content coursework for licensure.

Licensure Information

Candidates seeking Ohio licensure are required to pass specific assessments in order to apply for licensure. Students should consult their advisors for specific program requirements and refer to the Ohio Department of Education-Educator Preparation website for more information on assessments specific to licensure type.
