Description
The Psychiatric Mental Health Nurse Practitioner graduate certificate prepares nurses who have a graduate nursing degree the additional specialized knowledge that will prepare them for the psychiatric mental health nurse practitioner role. The certificate meets the educational requirements for the national certification examination.

Fully Offered At:
• Kent Campus

Admission Requirements
• Official transcript(s)
• Active, unrestricted registered nurse license in the state in which practicum hours will be completed
• Master’s degree in nursing or a doctorate in nursing practice from an accredited nursing program
• Minimum 3.000 graduate GPA on a 4.000 scale
• Résumé or vita
• Transcript(s) of all previous graduate coursework
  • Transcript(s) must indicate completion of graduate-level courses in advanced pathophysiology, advanced pharmacology and advanced health assessment, with a minimum B grade earned in each course. Applicants who do not meet the grade requirement for advanced pathophysiology, advanced pharmacology and advanced health assessment may be considered for a conditional admission.
  • For applicants who have not practiced as an advanced practice registered nurse within the two-year period preceding application to the certificate, completion of graduate-level courses in advanced pathophysiology, advanced pharmacology and advanced health assessment must not be greater than five years old at the time of the student’s first semester of course registration in the certificate.
• Syllabi of all courses to considered for transfer in the gap analysis
• Three letters of reference from health care professionals or faculty members
• English language proficiency requirements for international students (effective spring 2018):
  • Minimum 83 TOEFL IBT score
  • Minimum 560 TOEFL PBT score
  • Minimum 6.5 IELTS score
