Description
The minor in Health Services Administration is intended for students that have a strong interest in concepts related to the management, Ethics and Practice of the Administration of Health Services. Students complete a series of specific courses designed to enhance their knowledge in the area of Health Services as well as courses geared for professional practice. Additionally, students may choose elective courses that meet their interests and help to augment their degree program. This includes students in a variety of majors including but not limited to Business, Communications, Nursing, Psychology, Sociology, Health and Human Services and current public health students.

Admission Requirements
Admission to a minor is open to students enrolled in a bachelor’s degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students enrolled only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.
