Description
The Associate of Applied Business degree in Accounting Technology provides students with a broad range of practical accounting and communication skills and teamwork experience. These combined skills prepare students for immediate entry into the accounting technology field in numerous environments, including manufacturing, retail, service and governmental organizations.

The degree program articulates with select bachelor’s degrees at Kent State.

Fully Offered at:
• Online
• Ashtabula Campus
• East Liverpool Campus
• Trumbull Campus
• Tuscarawas Campus

Admission Requirements
The university affirmatively strives to provide educational opportunities and access to students with varied backgrounds, those with special talents and adult students who graduated from high school three or more years ago.

Kent State campuses at Ashtabula, East Liverpool, Geauga, Salem, Stark, Trumbull and Tuscarawas, and the Regional Academic Center in Twinsburg, have open enrollment admission for students who hold a high school diploma, GED or equivalent.

For more information on admissions, contact the Regional Campuses admissions offices.

Program Learning Outcomes
Graduates of this program will be able to:
1. Apply generally accepted accounting principles (GAAP) to analyze and record business transactions, prepare financial statements and complete all other procedural steps in the accounting cycle of a company
2. Identify different manufacturing costs, record transactions to reflect the cost flow of a manufacturing company and prepare various management reports
3. Prepare individual tax returns (manual and electronic)
4. Maintain accounting records of a company utilizing a general ledger software package
