LANDSCAPE ARCHITECTURE - M.L.A. I

Examples of Possible Careers*
Landscape architects
- 2.4% decline
- 24,500 number of jobs
- $70,630 potential earnings

Architecture teachers, postsecondary
- 5.1% faster than the average
- 8,500 number of jobs
- $90,880 potential earnings

Urban and regional planners
- 11.0% much faster than the average
- 39,700 number of jobs
- $75,950 potential earnings

Additional Careers
- Landscape Architectural Project managers

Contact Information
- Program Coordinator: Cat Soergel Marshall | cmarsh40@kent.edu | 216-357-3432
- Chat with an Admissions Counselor

Fully Offered
- Delivery: In person
- Location: Cleveland

Admission Terms
- Fall

*Note
Source of occupation titles and labor data is from the U.S. Bureau of Labor Statistics' Occupational Outlook Handbook. Data comprises projected percent change in employment over the next 10 years; nation-wide employment numbers; and the yearly median wage at which half of the workers in the occupation earned more than that amount and half earned less.

Description
The Master of Landscape Architecture I degree in Landscape Architecture is a professional program that prepares graduates for active, creative and leadership roles in landscape architecture profession through inclusive and interdisciplinary design methodologies that are focused on issues surrounding urban landscapes, ecologies and social concerns.

Students are engaged in issues — ranging from hydrology in the Great Lakes and Ohio River Basins watershed to the role of urban landscapes associated with industrial cities. In addition, they study matters of global significance relating to the role of landscape and design relative to reclamation of urban vacancies, infrastructural systems, natural resources, climate change, water quality for health and social justice and cultural landscapes.

Accreditation
The M.L.A. I degree is an accredited program through the Landscape Architecture Accrediting Board (LAAB) as of fall 2018.

Admission Requirements
- Bachelor’s degree from an accredited college or university
- Minimum 2.750 undergraduate GPA on a 4.000 point scale
- Official transcript(s)
- GRE scores
- Curriculum vitae
- Goal statement
- Portfolio of design work
- Three letters of recommendation
- English language proficiency - all international students must provide proof of English language proficiency (unless they meet specific exceptions) by earning one of the following:
  - Minimum 550 TOEFL PBT score (paper-based version)
  - Minimum 79 TOEFL IBT score (Internet-based version)
  - Minimum 77 MELAB score
  - Minimum 6.5 IELTS score
  - Minimum 58 PTE score
  - Minimum 110 Duolingo test score

For more information about graduate admissions, visit the graduate admission website. For more information on international admissions, visit the international admission website.

Program Learning Outcomes
Graduates of this program will be able to:
1. Pursue careers in landscape architecture
2. Synthesize higher-level learning necessary to practice landscape architecture; and develop critical understanding through increased independent, collaborative, interdisciplinary and course-based research.
3. Establish a design process that is firmly based upon research, technology and artistic expression.
4. Appraise and understand geo-cultural differences and develop skills to engage local phenomena.

Professional Licensure Disclosure
This program is designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State’s website for professional licensure disclosure.
