- 175,500 number of jobs
- $69,600 potential earnings

* Source of occupation titles and labor data comes from the U.S. Bureau of Labor Statistics' Occupational Outlook Handbook. Data comprises projected percent change in employment over the next 10 years; nation-wide employment numbers; and the yearly median wage at which half of the workers in the occupation earned more than that amount and half earned less.

Admission Requirements
The university affirmatively strives to provide educational opportunities and access to students with varied backgrounds, those with special talents and adult students who graduated from high school three or more years ago.

Kent State campuses at Ashtabula, East Liverpool, Geauga, Salem, Stark, Trumbull and Tuscarawas, and the Twinsburg Academic Center, have open enrollment admission for students who hold a high school diploma, GED or equivalent.

Some programs may require that students meet certain requirements before progressing through the program. For programs with progression requirements, the information is shown on the Coursework tab.

For more information on admissions, contact the Regional Campuses admissions offices.

</tbody>
</table>

Course is not required for students with 30+ transfer credits (excluding College Credit Plus) or age 21+ at time of admission.

Kent Core (see table below) 15
Total Credit Hour Requirement 60

Some associate degrees require students to complete more than 60 credit hours.

Kent Core Requirements

Kent Core Composition (KCMP) 3
Kent Core Mathematics and Critical Reasoning (KMCR) 3
Kent Core Humanities and Fine Arts (KHUM/KFA) 3
Kent Core Social Sciences (KSS) 3
Kent Core Basic Sciences (KBS/KLAB) 3
Total Credit Hours: 15

Program Learning Outcomes

Graduates of this program will be able to:

1. Apply lessons learned by integrating business simulations into appropriate courses using Excel, Mylab or other simulation software.
2. Discuss various aspects of teams in business: team dynamics, different types of teams, meeting rules and management.
3. Research and share how businesses are currently working to improve their products, services and overall organizations.
4. Understand business concepts and vocabulary.
5. Demonstrate knowledge acquired by emphasizing public speaking, ethical problem solving, teamwork and multimedia presentations.
6. Write in a formal and informal style.
7. Demonstrate ability to work effectively in teams.
8. Demonstrate knowledge of business and economic principles, concepts and vocabulary.
9. Interpret local, state, national and international markets and regulations.
10. Use appropriate technology for business applications, as well as review future technology needs.
11. Identify, assess and solve specific problems for actual organizations, or address problems presented in a case-study.
12. Distinguish between ethical and unethical business practices, and show an appreciation for diversity in the workplace.

Full Description

The Associate of Applied Business degree in Business Management Technology provides students with a core consisting of communication, management, accounting, marketing, e-commerce, economics and liberal arts courses. Students may have the opportunity to participate in internships, which help to link theory with hands-on practice.

The Business Management Technology major comprises the following concentrations:

- The Business Administration concentration articulates with the Bachelor of Business Administration degree at Kent State.
- The Logistics and Supply Chain Management concentration allows students to become knowledgeable in the process and supervision of the movement of products from the point origin to the point of consumption for consumers, business and other organizations.
- The Management and Entrepreneurship concentration comprises coursework in management, entrepreneurship and productivity applications.
- The Marketing/Sales concentration comprises coursework in management, advertising, customer service and productivity applications.
