## Description

The Associate of Technical Study degree, Individualized Program, is open to students who need a specially designed course of study in a technical field. The program consists of courses that suit the students' career goals. Course requirements are planned with the help of a faculty advisor and must be approved by the dean of the College of Applied and Technical Studies.

## Admission Requirements

The university affirmatively strives to provide educational opportunities and access to students with varied backgrounds, those with special talents and adult students who graduated from high school three or more years ago.

Kent State campuses at Ashtabula, East Liverpool, Geauga, Salem, Stark, Trumbull and Tuscarawas, and the Twinsburg Academic Center, have open enrollment admission for students who hold a high school diploma, GED or equivalent.

For more information on admissions, contact the Regional Campuses admissions offices.

## Program Learning Outcomes

Graduates of this program will be able to:

1. Interpret and communicate discipline specific information via written, verbal and/or visual or digital representations.
2. Participate in effective written, oral and digital communication skills in multiple contexts, for a variety of audiences.
3. Integrate applied skills and theoretical knowledge in a specific technical field or focus area to solve problems or perform tasks
4. Develop self-awareness about identity and culture, diversity, sensitivity and respect for differences.
