SOFTWARE DEVELOPMENT - MINOR

College of Applied and Technical Studies  
www.kent.edu/cats

About This Program
The Software Development minor is designed to complement a wide range of majors. The curriculum focuses on visual basic, scripting and programming mobile devices. Electives provide flexibility to tailor the minor to each student's interests and career goals. For example, a student might choose a different programming language or a more in-depth course in scripting, visual basic or data design.

Admission Requirements
Admission to a minor is open to students declared in a bachelor’s degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students declared only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.
