**EARTH SCIENCE - MINOR**

College of Arts and Sciences
Department of Earth Sciences
www.kent.edu/earth-sciences

---

**About This Program**

The Earth Science minor prepares students to integrate concepts and knowledge of Earth’s surface, its interior and its interactions with life and water. Scientific knowledge about Earth processes and earth-life-water interactions is critical for making informed decisions in science education, public policy, public health, conservation, resource management and environmental consulting. Students in the minor gain essential knowledge of earth systems science, including the interactions of earth’s atmosphere, biosphere, hydrosphere and lithosphere over both shorter (millennium) and longer (mega-annum) time periods.

**Program Delivery**

- **Delivery:**
  - In person
- **Location:**
  - Kent Campus
  - Stark Campus

---

**Admission Requirements**

Admission to a minor is open to students declared in a bachelor’s degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students declared only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.

To declare the Earth Science minor, students must have a minimum 2.000 overall Kent State University GPA. No Kent State University GPA is required if the student is a first-semester freshman or transfer student admitted in good standing.
