*Note
Source of occupation titles and labor data is from the U.S. Bureau of Labor Statistics’ Occupational Outlook Handbook. Data comprises projected percent change in employment over the next 10 years; nation-wide employment numbers; and the yearly median wage at which half of the workers in the occupation earned more than that amount and half earned less.

Description
The Bachelor of Arts degree in Environmental Studies prepares students to integrate concepts and knowledge on environmental issues from across multiple disciplines and to communicate about these in important ways. Basic scientific knowledge about environmental processes is used to inform different social goals. Students develop a set of key competencies in earth systems science, environmental social science, human-natural systems and sustainability science to be able to solve specific environmental problems.

Environmental Studies students may apply early to the M.S. degree in Geography and double count 9 credit hours of graduate courses toward both degree programs. See the Combined Bachelor’s/Master’s Degree Program policy in the University Catalog for more information.

Admission Requirements
The university affirmatively strives to provide educational opportunities and access to students with varied backgrounds, those with special talents and adult students who graduated from high school three or more years ago.

First-Year Students on the Kent Campus:
First-year admission policy on the Kent Campus is selective. Admission decisions are based upon cumulative grade point average, strength of high school college preparatory curriculum and grade trends. Students not admissible to the Kent Campus may be administratively referred to one of the seven regional campus to begin their college coursework. For more information, visit the admissions website for first-year students.

First-Year Students on the Regional Campuses:
First-year admission to Kent State's campuses at Ashtabula, East Liverpool, Geauga, Salem, Stark, Trumbull and Tuscarawas, as well as the Twinsburg Academic Center, is open to anyone with a high school diploma or its equivalent. Check with a regional campus admissions office to determine application requirements, as they may differ among campuses.

International Students:
All international students must provide proof of English language proficiency (unless they meet specific exceptions) by earning a minimum 525 TOEFL score (71 on the Internet-based version), minimum 75 MELAB score, minimum 6.0 IELTS score, minimum 48 PTE score or minimum 100 DET score; or by completing the ESL level 112 Intensive Program. For more information, visit the admissions website for international students.

Transfer Students:
For more information, visit the admissions website for transfer students.

Former Students:
Former Kent State students or graduates who have not attended another college or university since Kent State may complete the reenrollment or reinstatement form on the University Registrar’s website.

Program Learning Outcomes
Graduates of this program will be able to:
1. Demonstrate an understanding of the environment and how it relates to human activity, human resource needs and human cognition.
2. Analyze the interconnections between environmental and human systems and how those play out in particular problem areas.
3. Evaluate how environmental problems are framed and how public attitudes and policies can be harnessed to provide solutions to environmental degradation.

  - Course is not required for students with 25 transfer credits, excluding College Credit Plus, or age 21+ at time of admission.

- **Diversity Domestic/Global (DIV/DIVG)**
  - 2 courses
  - Students must successfully complete one domestic and one global course, of which one must be from the Kent Core.

- **Experiential Learning Requirement (ELR)**
  - Varies
  - Students must successfully complete one course or approved experience.

- **Kent Core (see table below)**
  - 36-37 credit hours to graduate.
  - Students must earn a minimum C grade in the course.

- **Upper-Division Requirement**
  - 39 credit hours
  - Students must successfully complete 39 upper-division (numbered 30000 to 49999) credit hours to graduate.

- **Total Credit Hour Requirement**
  - 120 credit hours

**Kent Core Requirements**

- **Kent Core Composition (KCMP)**
  - 6 credit hours

- **Kent Core Mathematics and Critical Reasoning (KMCR)**
  - 3 credit hours

- **Kent Core Humanities and Fine Arts (KHUM/KFA)**
  - 9 credit hours

- **Kent Core Social Sciences (KSS)**
  - Must be from two disciplines
  - 6-7 credit hours

Foreign Language College Requirement, B.A.
Students pursuing the Bachelor of Arts degree in the College of Arts and Sciences must complete 14-16 credit hours of foreign language. 1
To complete the requirement, students need the equivalent of Elementary I and II in any language, plus one of the following options 2:

1. Intermediate I and II of the same language
2. Elementary I and II of a second language
3. Any combination of two courses from the following list:
   • Intermediate I of the same language
   • ARAB 21401
   • ASL 19401
   • CHIN 25421
   • MCLS 10001
   • MCLS 20001
   • MCLS 20091
   • MCLS 21417
   • MCLS 21420
   • MCLS 22217
   • MCLS 28403
   • MCLS 28404

1 All students with prior foreign language experience should take the foreign language placement test to determine the appropriate level at which to start. Some students may start beyond the Elementary I level and will complete the requirement with fewer credit hours and fewer courses. This may be accomplished by (1) passing a course beyond Elementary I through Intermediate II level; (2) receiving credit through one of the alternative credit programs offered by Kent State University; or (3) demonstrating language proficiency comparable to Elementary II of a foreign language. When students complete the requirement with fewer than 14 credit hours and four courses, they will complete remaining credit hours with general electives.
2 Certain majors, concentrations and minors may require specific languages, limit the languages from which a student may choose or require coursework through Intermediate II. Students who plan to pursue graduate study may need particular language coursework.
